Mr. E. L. Wood left Tuesday for his home in Farmville.
Mrs. E. L. Wood left Wednesday for Charlottesville.

S.S.S. CURES RHEUMATISM

In this short talk we want to tell you something about the cause of Rheumatism, and what is necessary for its cure. We hope to be able to show you exactly what brings the disease about, and then to tell you, in a plain, honest way, just why S. S. S. cures it.
Rheumatism is really an internal inflammation—a diseased condition of the blood cells which supply the nourishment and strength necessary to sustain our bodies.
The disease is caused by an excess of uric acid in the blood, which gets into the circulation because of indigestion, constipation, weak kidney action, and other irregularities of the system, which are sometimes considered of no importance. This uric acid produces an inflamed and acrid condition of the blood, and the circulation, instead of nourishing the different portions of the body, continually deposits into the nerves, muscles, joints and bones the irritating pain-producing acid with which it is filled. Then follow the painful and torturing symptoms of Rheumatism. The very life and vitality of the blood is being destroyed by the uric acid poison, and every muscle, nerve and sinew of the body suffers in consequence.
We do not claim for S. S. S. that it is anything more than a first-class blood purifier and tonic, and that is all you need to cure Rheumatism. It is true that liniments, plasters, and other external applications, often temporarily relieve the pain and agony of the disease, and it is well enough to use them for the comfort they afford, but such treatment does not reach the seat of the trouble and of course can have no permanent good effect. S. S. S. cures Rheumatism permanently because it purifies the blood. It goes down into the circulation, removes the excessive uric acid from the blood, purifies and revitalizes this life-giving stream and causes it to nourish and strengthen the system instead of gradually hardening the muscles and stiffening the joints by destroying the natural oils and fluids with this uric acid poison. Rheumatism is a blood disease and S. S. S. cures it because it purifies the blood. Book on Rheumatism and any medical advice free to all who write.

HELPLESS FROM RHEUMATISM.
I was terribly afflicted with Rheumatism for eighteen months, and during my sickness tried the skill of many good physicians, all of whom pronounced my case hopeless. I was for a year in such a desperate condition that I was unable to dress or feed myself. I had filled at different times fifty-two prescriptions suggested by them, and I finally decided to include S. S. S. in my list, and took the first dose while hobbling about on crutches. I was able to relinquish the use of one crutch, and a faithful continuance of the medicine relieved me of the other crutch and shortly afterwards enabled me to go to my work, at which I have been ever since. I have had no return of symptoms of Rheumatism, although this was five years ago.
Yours very truly,
1215 N. Senate Ave. I. O'MALLEY
Indianapolis, Ind.

OFTEN CONFINED TO BED.
Raleigh, N. C.
For several years I would be completely broken down with Rheumatism in all the bones and joints of my body. I was several times confined to my bed for weeks and weeks. The pain was excruciating, and I was unable to move. I was going to become a hopeless cripple. About three years ago I commenced the use of S. S. S. and I commenced to move from the first. I continued the medicine until I got my blood pure and the Rheumatism was entirely cured. Since S. S. S. restored me to health I have not had an ache or pain.
LUCY GARR.

THE BEST REMEDY FOR RHEUMATISM.
I was severely troubled with Rheumatism. I had it in my knees, legs and ankles, and any one who has ever had Rheumatism knows how excruciating the pain is and how it interferes with one's work. I was truly in bad shape—having been bothered with it for ten years, off and on. A physician advised me to use S. S. S. I did so. After taking a few bottles I noticed the soreness and inflammation gone. I recommended S. S. S. to all Rheumatic sufferers.
J. L. AGNEW
608 East Gambier St. Mt. Vernon, O.

INFLAMMATORY RHEUMATISM.
Newport News, Va.
Last summer while recovering from illness of fever, I had a severe attack of inflammatory rheumatism in my knees, from which I was unable to leave my room for several months. I was treated by two doctors and also tried different kinds of liniment and medicines which seemed to relieve me from pain for awhile, but at the same time I was not any nearer getting well. One day while reading a paper I saw an advertisement of S. S. S. for Rheumatism. I decided to give it a trial, which I did at once. After I had taken a few bottles I felt a great deal better, and I continued to take it regularly until I was entirely cured. I now feel better than I have for years, and I do cheerfully recommend S. S. S. to any one suffering from Rheumatism.
CHAS. S. GILDERSLERBY.
613 32nd Street.

home, in Newport News Monday after a short stay with Miss Katherine Geddy.
